

Hello, Eleventh Hour Makers Market Vendors!

We are so excited about this brand new show! We'll have more details coming your way over the next little while, but just a few points to start off with:

FACEBOOK EVENT

First Things First! Be sure to [join the Facebook event](#), and share it widely with your business and personal networks on all your social media channels! We are SO excited about how much interest this event has gotten on Facebook so far, without us even doing anything, but we'll also be boosting the event as the show gets closer. The more people we have 'interested' and 'going' before that happens, the bigger the crowds, so invite and share with your friends!

RAW BOOTH SPOT

As you start thinking about your booth setup, we want to remind you that your booth spot is a raw 5'x8' or 8'x8' spot--you are responsible for providing your own tables, chairs, booth accessories, etc. We'll have an option for you to rent 6' tables and folding chairs soon if you'd like--stay tuned!

PLACEMENT REQUESTS

We try VERY hard to accommodate vendor requests as much as we can, but we make our booth maps very early in the season, and can't make any switches or changes once this happens. If you have requests such as being booth neighbors with a friend, if your product will suffer from being next to a fragrant booth, etc. please be sure to send these requests as soon as possible. We will do our best to make it happen for you, though we can't make any guarantees.

LOAD-IN REQUESTS

Load-in will be from 9:00 a.m. to 4:00 p.m. on Thursday (12/18), and 7:00-11:00 a.m. on Friday (12/19) mornings. **Please request your load-in time slots at the link below by**

November 3rd. If you do not let us know your preferences, you will be randomly assigned to a time slot.
