

Edmonds Spring Fest // More Vendor Details

Hello, Edmonds Spring Fest Vendors!

We are so excited that this show is already coming up NEXT MONTH! We'll have more details coming your way between now and then, but just a few points to start off with:

- 1) First Things First! Be sure to [join the Facebook event](#), and share it widely with your business and personal networks on all your social media channels! We'll be boosting the event as the show gets closer, but the more people we have 'interested' and 'going' before that happens, the bigger the crowds!
- 2) As you start thinking about your booth setup, we want to remind you that your booth spot is a raw 10x10 spot--you are responsible for providing your own tent, tables, **tent weights (30 lbs minimum per leg)**, etc. No electricity is available for this show, so please plan accordingly.
- 3) We need to be very careful not to damage the turf of the playfield, so please do not include anything in your booth setup that needs to be staked or driven into the ground. **Please be aware that you will be financially responsible for any damage done to the field.** Thank you for your cooperation on this!
- 4) Load-in will be from 7:00 to 10:00 a.m. on Saturday, May 9th. Please [request your load-in time slot here](#) **by Saturday, April 11th**. If you do not let us know your preferences, you will be randomly assigned to a time slot.
- 5) We try VERY hard to accommodate vendor requests as much as we can, but we make our booth maps very early in the season, and can't make any switches or changes once this happens. If you have requests such as being booth neighbors with a friend, if your product will suffer from being next to a fragrant booth, if your product will melt when exposed to afternoon sun, etc. please be sure to send these requests as soon as possible. We will do our best to make it happen for you, though we can't make any guarantees.

And, just a reminder that your [Instagram responses](#) are due by April 5th if you'd like to be featured.

We are getting so excited for the very first show of the spring season!
