

Hello, Lovely Vendors!

We wanted to let you know that we are in the process of finalizing our staffing for this show, and have a handful of both volunteer and paid positions available. We know that you all will of course have your hands full day-of-show, but figured perhaps that some of you may have friends, colleagues, adult children, or family who would be interested in joining us for the day! **We also have a street team opportunity (paid per poster distributed) that you can help out with in the weeks leading up to the show.** See below for more details!

Available paid positions include:

- Helping us with load-in (6:30 a.m. - 11:00 a.m.)
- Helping us with load-out (5:00 p.m. - 8:30 p.m.)
- Monitoring the barricades at the 4 street closure points (various timeframes, shifts of 4-7 hours, and must be able to slide a heavy barricade weighing 55 lbs. in the case of an emergency)

Volunteer positions include vendor support (helping all of you awesome vendors with bathroom breaks, booth-sitting if you need to step away, and especially giving support to those vendors flying solo for the day), and general helping out when things get hectic.

Join our street team and help us poster in the weeks leading up to the show!

We will be paying \$4/poster, which will entail:

- Identifying businesses in the area that would have good poster visibility (i.e. do they have a community bulletin board, or other posters in their window?)
- Giving the poster to a staff member at the establishment who has agreed to hang the poster, or putting it up yourself using tape/pushpins (we will provide)
- Updating the Google Sheet with the postered location
- Snapping a photo of the poster (or front of establishment, if a staff member has said they will have the manager post it)
- ***The ability to take responsibility for a minimum of 20 posters***

Please let us know if anyone comes to mind who may be interested in any of these opportunities.

Thanks so much!

- Lindsey, Kristen & Heather
